Baseball Cleanup

Make your station look like this.
Scroll down for details.
The Box

- Baseball
- Baseball Hammer
- Webcam (with cable wrapped up)
- Measuring Tape
- Roll of Masking Tape
Is the Bat Clean?

Make sure that you remove any masking tape from the bat.
Make sure the bat won’t roll off the table.

Place the bat on the table such that its knob is sitting in the hole in the table by the computer.
Secure the Stylus

gray side first please!

Slide the stylus into the loop of fabric.
Did you use a thumb drive?

If so, don’t forget it!
Final Items

• Clean up any trash.
• Back up your report
• Push in your chairs.
• Log off your computer.

That’s it!
